DETAILED ACTION

Allowable Subject Matter

1. The following is an examiner's statement of reasons for allowance: after a careful review of the appeal brief filed by the applicant on 09/28/05, applicant's arguments and remarks were found persuasive. Refer to the appeal brief dated 09/28/05 for more details. It is also noted that the double patenting rejection has been overcome by satisfactorily arguing the difference between the double patenting reference and the claimed invention. Moreover, the new matter issue has been withdrawn as a PTO Japanese language translator indicated on 05/26/05 that the Japanese foreign priority document in question reasonably supports the specific limitation on issue.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Raymond Alejandro whose telephone number is (571) 272-1282. The examiner can normally be reached on Monday-Thursday (8:00 am - 6:30 pm).

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Patrick J. Ryan can be reached on (571) 272-1292. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
